## TOWN CRIER.

OFFICE HOURS AT ORANGEBURG DEPOT.

From 8 o'clock A. M. to 2 P. M.  
From 3 o'clock P. M. to 6 P. M.

Goods received and delivered only in office hours.

—Dr. Webster and lady returned last Monday.

—Ninety-four teachers have received certificates to teach the public schools in this county.

—The game law allows the shootings of birds after the 15th of this month.

—Last Monday passed off very quietly. But few in from the country and no Sheriff sales.

Richard Fields, a well known colored man is this place, died on Wednesday last.

—We learn that a series of protracted meetings will begin at the Baptist church to-night to continue through next week.

—We call attention to the advertisement of A. M. Riser, of Columbia, and hope those visiting the festival of the Schutzen Verein will visit the rooms of Mr. Riser.

—The post office will not be open to-night. During court week, the office will be open every night for the delivery of the Columbia mail.

—We learn that Mr. F. M. Kimmey, of Charleston, was married Tuesday last, to Miss Ellen Betsel, of this place, Rev. Geo. A. Hough officiated.

—Among the hotel arrivals in Charleston on Oct. 4th, we see the names of M. I. Browning, D. Louis and J. L. Livingston of Orangeburg.

—We learn that the S. C. R. R. has just paid County Treasurer Livingston \$3,000 taxes that have been accruing for several years back. Many will be interested to learn that there is money in the treasury.

—S. R. Mellichamp's school is now in a very prospering condition. Thirty are in attendance; and a more advanced class of pupils must make the routine of school duties less irksome to this popular teacher.

—A much needed and ornamental ticket office is being erected at the entrance of the Fair grounds. It is a great improvement on the old box, which, by its appearance, never allowed many into the inside.

A dastardly attempt was made on Friday night to throw the passenger train that left this city at 4 o'clock p. m. for Charleston off the track, when about five miles this side of Branchville. The train was going at the usual rate of speed, when the engineer discovered, by the light from the engine, a cross-tie placed across the

track. He instantly reversed the engine and slackened the speed but not in time to prevent running against the obstruction with such force as to break the engine in some of its parts, and cause a shock and an alarm to the passengers on board. It was fortunate the engineer saw the obstruction in time, for had the train been running at its accustomed speed, it would have been thrown off, and many of the passengers would have been killed and wounded. Nobody hurt.—Union-Herald.

—Gov. Chamberlain has instructed Col. Parmele, Superintendent of the Penitentiary, that under the act of 1866 relating to the Penitentiary, and under rules adopted by Gov. Orr, in pursuance of said Act, he may discharge convicts upon expiration of eleven-twelfths of their sentence, for good conduct during their imprisonment.

—Postmaster Jewel has written to the managers in Alabama in answer to some applications for office, that he must have good men for responsible places, and that he prefers good democrats to bad republicans. Alabama can't quite understand the change. The old rule used to be steadily to prefer bad republicans to good ones.

—Miss Mary Whaley, a daughter of Major Whaley, is dangerously ill with consumption. Some of the most distinguished physicians in the country have been consulted but we regret to learn that her recovery is despaired of.

—Senator Smalls has been acquitted of the charge of counselling a breach of trust. The State failing to make out a *prima facie* case, Judge Carpenter instructed the jury to bring a verdict of not guilty.

—Arrangements have been made with the S. C. R. R. to carry for half rates those desiring to attend the festival of the German Schutzen Verein, to take place on the 12th 13th and 14th of this month.

—During the week including last Saturday, Geo. H. Cornelson has purchased 208 bales of cotton. We learn that Briggmann & Reneker have purchased about 75 bales. The price has varied according to quality, from 10 to 12 1-4 cents per pound.

PAY UP.—We hope our delinquent subscribers will very soon settle our accounts against them. It takes money to run a paper and the little owed us by each subscriber amounts to quite a large sum in the aggregate. As cotton is being sold and money coming in, we hope they will not neglect the dollar or two they owe the CITIZEN.

—The work on the new court house has begun in earnest. About three hundred thousand brick have been ordered from Augusta, a large number of which have already arrived. We hope for the convenience of the public the fence about the square will be taken down and removed to some place where it can be kept in good order for future use.

—On the annual meeting of the City Council Dr. T. R. Malone was elected clerk and treasurer, H. Riggs, chief of the fire department, with J. W. Mosley and J. P. Harley as first and second assistants. J. W. Mosley, J. W. Cannon and John Thompson were elected as street committee. Jas. F. Izlar gave notice that at a subsequent meeting he would introduce a motion to increase the liquor license. We understand that a motion was made to disavow the license which did not meet the approval of the council.

CHARLESTON ELECTIONS.—The Independent Republican ticket, was elected in Charleston last Wednesday by over two thousand majority. It is gratifying to note the good faith

of the Conservatives in this alliance. The aggregate vote for Mayor was 10,237, of which Mr. Cunningham received 6,219, Gen. Wagener 4,017 and S. R. Dickerson 1. Mr. Cunningham's majority over Gen. Wagener is therefore 2,202. The highest vote received by any candidate on the Independent Republican ticket was 6,613 by Mr. James T. Welsman and the lowest vote on the same ticket was 5,745 by Mr. James Brown. On the Wagener ticket the highest vote, 4,630, was received by Mr. W. W. Sale, and the lowest vote, 3,706, by Mr. J. S. Grant.

—On last Monday Jury Commissioner Larkins drew the petit jury to serve at the term of the court of Common Pleas and General Sessions, to commence on the 18th of this month:

W. H. Hendor, Irven Adams, Paul Livingston, R. H. Wiles, J. W. Sellers, T. W. Gleaton, Wm. T. Lightfoot, C. J. Bowman, Chas. Lawton, John C. Fanning, R. A. Jeffcoat, John D. Stephens, Jas. F. THE SOUTHEASTERN ADVOCATE.

There is soon to be a paper entitled as above, issued from this office, and published in the interests of the M. E. Church in this portion of our work.

Since the unwise removal of the Charleston Advocate, our work has been enlarging and extending in this section, and demands multiplying for a local organ. The Charleston Advocate was for two years published in Charleston. It was during this eventful period in the history of our cause in the South, one of the most important auxiliaries of our work. Its removal left a vacant place here which has not since been filled. It is an old saying, "that blessings brighten as they take their flight." This was emphatically true in reference to our paper for this coast. Many were taken by surprise at its sudden removal and were anxious for its return. If we had been as fully advertised of the wants and wishes of the people in this section, before the transfer of that paper to Atlanta, Ga., as we were after it was done, it would never have gone from us. The Methodist Advocate is a good paper and ably conducted, but it is too distant from the Atlantic coast to meet our local wants in this section. Our work on this coast differs in some particulars from our work in the section of Atlanta, or the valley of the Mississippi. Its peculiar phases cannot be met by those who live at a distance from us, and are not conversant with the exigencies and demands of this section. The people will have greater interest for

Their Own Paper, that lives and sympathizes with them than can be awakened for one coming to them from a distance, and managed by comparative strangers.

It will be larger than the FREE CITIZEN, will be Issued Bi-weekly, at the low price of ONE DOLLAR A YEAR. Payment in advance.

Some of the ablest writers of our church in this section will contribute to its columns. Methodist Ministers of the M. E. Church, traveling and local are agents for this paper. Let those who read this notice act at once in getting up a list of subscribers.

All communications for the Advocate should be directed to us at this place, A. WEBSTER, Orangeburg, S. C. Aug. 1874.
